## 『死面楚歌』

In such a short time, this fellow grew so huge.

It's still so hungry...

This time...

There should be a limit to this.

Really. Stealing other's prey, and messing up their territory.

Humans are really weak...

!!

Waaaaah!  
What?  
Someone is  
bleeding...

Quick!  
Quick call  
the police!

What is  
this?  
Did  
anyone  
see what  
happened?

Aaa  
ah

Die!

Seems like  
before we  
reach an  
agreement.

I have to  
teach you a  
lesson!

The more  
they eat  
the larger  
they grow

Those  
heinous  
creatures  
love to eat  
humans.

You saw  
it just  
now?

Isn't this  
better?

That means  
humans are  
more—

Why is  
this  
so...

Hey, why not  
we wait for  
those creatures  
to grow larger.

It would be  
easier to  
spot.

Ah...  
That

Those  
guys

Mind your  
own  
business!

You are  
the one  
who went  
off on  
your own

Please  
stop  
it

They  
would grow  
larger after  
a while

That means  
other than  
those few  
lower, those  
are others?

What are  
those  
huge  
monsters  
they're  
talking?

Just like us,  
called  
"monsters"

By eating  
you  
humans

I had  
enough.  
I don't want to  
see more  
people... die!

If they grow  
larger,  
wouldn't  
more  
people  
die?

Then  
just...

So  
what  
?

Although I  
don't quite  
understand,  
but, you  
should be  
very strong  
right?

We are not  
fighting for you  
humans.

You're  
saying  
humans  
are  
special  
creatures.

If they don't  
turn bigger,  
there's no  
excitement of  
defeating  
them!

And  
I

Wait a  
minute!

So you're  
only here  
to enjoy  
yourself?

Yes... I  
agree  
too...

That's  
right.  
What he's  
saying is  
true.

Wait

Pig head,  
that is my  
prey!

I just  
don't want  
to fight

How spectacular play

That Stop interfering you two

You get off!

Hei Hei

Why did it  
end up  
like this...

How could  
the tram  
be  
operating  
in this  
time?

That's  
right...

I had  
enough

Why must  
such stuff  
happen to  
me?

Yuen  
Ji!

Hey you  
hear it,

Come  
quick

!

Turn  
bigger  
quick,

Make me  
happy!

Nooooooo...!!

No  
...

Let's go  
and see,  
Rai.

Pah  
!

Pa j  
...

Pa j!  
Pa j!  
!

Ka j  
!

Ki-oh

A child?

There's still a child left.

Why is it so huge?

This is way bigger than those I've defeated just now.

SHOCK

!!

木

These fellows have been killing each other.

Because

No way I can't stand up...

Huh? It's the human just now.

Of course.

We're not here to play!

Right.

Leave it to the other groups to reclaim this place, we are moving off to the next location.

What? We have to leave now?

Yes!

So pretty...

shock

What? You want to turn into those souls too?

Good! If you really want to do so, remember to leave us a message.

Because that fellow's defeated, these souls can be freed.

There's no difference, Chin, since we've freed those souls.

say. Can't you do this in a more graceful way?

Why must you be so adamant just as long as we get done it's alright.

Those higher ups would be happy.

I thank you for your hard work, Yuan!

But it's such a pity it doesn't have "that" on it.

This...  
Although it's too  
late to  
ask now...

You're  
holding  
scythes  
and  
wearing  
black...

Come over to  
take your life!

Anytime, I  
can...

Could you  
be...

The number of casualties are being confirmed...  
The authorities...

When we arrived at S city in the morning, it's already in ruins.

According to eyewitnesses, the city was attacked by never before seen creatures. This is to be further confirmed...

You can say so...

The so called "Death Gods"?

This...

What  
there were  
still  
survivors  
from that  
age?

But... Mental  
Stress...  
Survivor...  
Shock...

This  
human  
shouldn't  
have a  
body

It should be  
like this...  
But how did  
he get  
inside?

Who are  
these guys  
talking to?  
And hiding  
in such a  
small space! They  
shouldn't be able to  
see us right?

Yes, I  
have  
something  
to tell you.

That's called  
a television  
it's an image  
projection  
tool, don't you  
all know?

It can't  
be, was  
he eaten  
by the  
monsters

What? Why  
did it turn  
dark all of a  
sudden?  
Where did  
he go!

It's not  
that real  
humans  
are in it

Phase 2  
Wave of Death

PHASE 2  
「死濤駭浪」

We have to lower the damage done.

And destroy the mastermind!

That's why there's no meaning to defeating just those monsters.

Aren't we supposed to just defeat those monsters before they eat more humans?

Can you be more aware of your roles and be more serious?

For us Keepers, it's our job to maintain order in this world.

It's not that simple, listen up!

Yes shouldn't we be thinking of a strategy now?

You are purely relieving you're emotions.

Especially you, Yuan Ji. You do not have much awareness.

That means. The taking and giving of spirits, that's how the cycles of the earth work.

But, with the appearance of those spirit eating monsters, the balance is destroyed.

That's why they sent us to deal with them!

From this messenger, we can contact the "seekers" around the world.

It's like the last time, when the monsters got small and have not matured yet, others can also destroy them.

But, according to the speed of devouring this time, it would be more difficult to defeat.

It's easier on words, those monsters can appear anywhere.

It's a waste of energy if we anyhow attack.

Seems like we have to think of ways to lure them out and defeat them fast?

But this time, when we got here after being contacted, the monsters have already devoured all the humans.

Seems like that fellow got here first.

There's no one in sight.

Leader! Your monster detector is spoilt!

It's not easy for me to come over and defeat them!

Ah... Damn!!

It's just a normal messenger.

Idiot when did this become a monster detector.

Why are there holes in the ground?

What is that?

But, for the seekers to be unable to find such a big monster.

They should be hiding in some place.

It's so trouble-some!

Idiot!

Those monsters would grow that big after eating a whole lot of people, right?

Who did you say is a pig head?

Enough!

This is the work of those monsters?

I think... not.

They shouldn't be digging for potatoes.

What? You said something?

Nothing... Sorry...

Hiding?

Hey!

What is that?

Look!

Come over here.

Good!  
We'll never  
let them  
get away  
this time!

That's one  
more sin of  
yours to let me  
be  
disappointed!

Found  
them?

It seems  
so.

Location  
is the F-  
spot.  
It's near  
here.

I don't know,  
but no matter  
what we do,  
we have to  
defeat them!

Always a  
step before  
us, what kind  
of monsters  
are these!

That is our  
job!

Defeat  
those who  
hinder us  
Keepers,  
locate and  
bring back the stolen  
seal to seal them.

I'll make you  
pay the price!

Spirits  
damage is  
rising—  
20%  
25%

Found them!  
We found them!  
Spot F-2-5!  
Keepers, get  
here quick!

Strange...

Too small...

After that, they kept hiding underground?

Because of this, the seekers were unable to find you.

It's not exciting at all!

Hey! Hey! Did it just end like this?

Hey...

Is dong...

Is dong...

Come out and fight with me!

Oh ho, so it's like this.

This is how you eat humans!

Ha ha

This is  
more  
like it!

And you should have

been more grateful to me!

I don't recall asking for your help! You should apologise!

The only one who's acting cool is you.

Always acting so cool, it's not fun at all!

Hey! Did you hear what I'm saying!

Out with the noise! You are too noisy!!

あ

Rei

Oh! Also! Why do you like to steal other's prey so much!

What?

Idong

Idong

How many of these monsters are there?

Idong

No matter how I chop, these guys keep coming back!

Dealing with so many in one go, it's no easy job!

Is there no other method!

And they appear in a wide area.

How many of them are there?

Could it be...

These fellows' just like tree roots.

No matter how we attack, they keep coming.

But ....

I allow you to use the magic gun.

You go and help

What about you?

I still need to check something. I can't leave yet.

Leave it to me

Ha yaaaaaa!

Just  
defeating it  
is enough!

Ah?  
?

Underground...  
That means  
I have to dig  
holes?

Stop joking,  
who wants  
to do such  
unglamorous

Once is  
enough?

Like  
this.

That's  
easy!

When those  
fellows  
appear,  
they'll spread  
out in a  
circle.

Like this,  
their core  
would be...

Ah, so it's  
like this.

There!

East of  
the city is  
the city's  
center!

The  
core is  
underground!

These  
monsters  
are just  
decoys!

It's  
useless  
no matter  
how  
many of  
these you  
kill.

Ah!  
West  
Pigeard,  
stop!

If you really  
do it, we'll all  
be crushed!

木 木 木 木 木

What-  
...

Of the  
slumbering  
monsters  
from the  
ancient  
time. I  
believe in  
me...

Come, my  
servant!

PHASE 23

「死然淘汰」

Phase 3  
Elimination by Death

They seem  
quite  
strong, but  
barless.

Don't let  
down  
your  
guard.

For those tiny  
monster's  
standards,  
they are quite  
strong.

Now it's  
getting  
interesting.

Let's go and  
test their  
skills.

Phase 3  
Elimination by Death

Don't let

Help

Such  
weak

Humans  
...

Huff

Puff

Puff

Someone,  
someone  
help me!

Help  
...

Since we are looking for the stopper to seal these guys

Instead of aimlessly looking for it we must as well defeat every single one of these

Oh

where could this stopper be?

Idiot! Use your brain!

If it is as simple as you've said we don't have to take so much trouble!

So we need someone to totally defeat these things!

It's such a small monster and you can like hell, how pathetic

Humans are really weak.

You heard it, Chief!

To protect such useless life I have to keep playing with these monsters every moment... That's it, it's not enough!

There goes again!

Once we find that boy then these guys won't be coming out anymore

We have to find the stopper for the hole where these guys are coming from

I think...  
That light  
Everyone  
has...

Not only  
that.

I can't  
sense any  
life.

!?

In that  
short  
time!?

That wide  
an area!?

How  
should I  
put it...

I know  
about  
you guys!

Harry

But who  
cares.

You should  
be able to  
brighten up  
my day.

He feels so  
different. Is  
he made by  
the  
investigation  
team?

team?

I did.  
he ran  
off on

his  
own.

That is  
monster  
right?

Just  
admit  
defeat!

You are so  
weak.

Rubbish is  
just rubbish  
after all.

I can't  
take it.

What is  
this  
feeling?

Such  
anger,  
such  
anger...

I'm so  
angry.

I hate  
everything!

Everything  
should just  
disappear!

Stop  
looking  
down on  
me, you  
teal!

# PHASE 4 「死猛奮鬥」

Phase - 4  
Fight to Death

What does he think he is doing!

I wanted to blast him with one final attack,

What is he?

Stop joking, you bastard!

Calling me rubbish...!

I'll never forgive you

How long  
are you  
going to  
keep  
mumblin',  
it's so ugly!

That guy's  
always  
been with  
us.

Just a bit  
more.

And I'll be  
able  
to destroy  
them!

Why did  
you stop  
me!

Hey!

You were  
there  
right?

We still  
have a lot  
more to  
do!

At this  
time, those  
things are  
still  
increasing.

Go to  
work  
!

Each  
every  
one of  
them

Don't  
leave  
behind  
anything!

GO  
!

Here

Come out

...

It'll be  
disasterous if  
we don't  
destroy those  
monsters fast.

I've just  
checked. The  
current  
humans can't  
see the  
monsters.

She  
should be  
checking on  
the  
monsters  
right now.

We'll  
contact  
Chiri when  
we are  
done.

There  
!

Waaaa  
ah!

Enough of it, you two dubs.

Ah! You are that strange

guy howling on the roof top!

Really. Please stay away from me

What did you say

This I'm not sure

?

...What do you think?

but this guy might be more sensitive like Chin said before

Although this is the first time a human is able to help us.

You can see us?

Huh? Aren't I supposed to be able to?

If possible,  
could you  
please help  
us?

And use  
whatever  
resource  
we can  
get

What are  
you  
saying...

mean

It would be  
better for us  
to have  
more help

So... On  
the whole,  
what am I  
supposed to  
do?

Hopefully  
you can  
protect  
these  
humans

Just do what  
you can do

I'm  
guessing  
that you already knew  
this city is infected? It's  
the work of such  
monsters.

And  
those  
strange  
things

You  
guys.  
What are  
you?

We are  
here just to  
defeat  
those  
monsters.

They get  
devoured  
easily

As most  
humans  
can't see  
them

But you  
can see  
them, and  
also touch  
them

What are  
you  
saying...?  
You jerk!

Although it  
seems to  
ignore your  
pride, and I  
feel very bad  
about it,

but you  
don't seem  
very  
reliable, so  
better

help out. I hope  
we can get  
along well.

Are you  
still going  
to play?

Hey,  
idiot!

Comm it

They are  
attacking

If we  
don't  
hurry

Alright,  
I  
under-  
stand.

He is just  
going to  
hinder us  
in our  
efforts!

Even if he is  
stronger  
than others,  
he is still  
human!

This way,  
we can  
concentrate  
on wiping  
their nest  
out.

Are  
you  
joking!

To ask a  
human  
for help! I  
don't  
agree!

Hey  
!

Finally  
!

Take  
this  
!

Damn it!  
Why are  
people  
always this  
stubborn!

It's  
not  
fun at  
all!

Over  
there  
?

!

Only  
wreakings  
here...

Damn  
it!!!

you  
ate  
them.

This  
guy  
...

Why are you  
together with  
a human?

You two  
seem to  
be good  
friends.

A bunch  
of  
rubbish!

You  
:

You are an  
interesting  
guy.

If I didn't  
interfer  
you would  
have been  
dead.

Fiey, I don't  
remember  
asking you  
for help.

Never in my wildest dreams did I think this would happen to me.

It's a

When I  
can finally

this  
book...

Don't

nonchalant  
now!

At my command,  
appear,  
my slave!

I've just  
finished  
the magic  
guide  
book.

What a  
lowly

To mix up  
all kinds of  
data,

It's such a rare  
chance, I'll  
just use you  
as an  
experiment

Everything

television,  
they are all

Unknown  
number of

EPISODE:2

Please  
jump down on  
your  
own.

My job is  
only to  
protect the  
spirits of  
the dead.

So I can't  
kill you  
myself.

Whaaaaa!!

Help! Help!  
me

Go and die  
yourself

So  
...

Hub

What  
...

Ah...  
What!

This  
is...

It's so scary  
I don't want to die!

Not now  
Not Yet!

Since  
I have  
these  
thoughts

Noo

Good  
bye

I have to  
live on no  
matter  
what!

Help you?  
Why?

Didn't you  
want to die?

To live or  
die, it's up  
to you.

I don't  
need you  
now.

When you've  
finally  
decided to  
die, I'll come  
for you.

So, you  
didn't want  
to die after  
all, just  
saying it for  
the fun of it

My servant

.

When you are alive, no one wanted to eat you. But when you decided to live...

How ironic.

How ironic.

When you are alive, no one wanted to eat you. But when you decided to live...

But such  
a ability is  
useless  
on you

Just as I've  
thought, you  
have a very  
strong  
sense

Since you  
can see  
me.

Really  
...

Humans are  
so  
interesting.
